About this item

- Heavy-duty carbon-steel construction (8-gauge steel door and 14-gauge steel body); 2 live-door bolts and pry-resistant concealed hinges for superior security. Includes pre-drilled mounting holes and hardware for floor and wall mounting
- 1.8 cubic feet home safe for storing important documents, jewelry, and other valuables. Programmable electronic keypad ensures secure, easy operation; back-up key for emergency use

Safelock

The SAMETA HOME safe comes with pre-drilled mounting holes, which make it easy to securely mount the safe to the floor and wall.
